

Broken — Life house

The Broken clock is a comfort 滴答的鐘聲是一種催眠

It let's me sleep tonight 在輾轉難眠的夜晚

Maybe it can start tomorrow 也許它能阻止明天的到來

From steeling all my time 挽回我逝去的時間

I am here still waiting 我一直在這裡等著你 Though I still have my doubts 儘管我心存疑慮

I am damaged at best Like you've already figured out

會不會同你說的 我早已錯過

I'm falling apart 我碎裂千片 I'm barley breathing 幾乎不能呼吸

With a broken heart That's still beating 持續跳動的心碎

In the pain There is healing 從痛苦中 痊癒

In your name 你的名字 I find meaning 是我存在的所有意義

So I'm holding on (I'm holdin' on)(I'm holdin' on) 我不能失去你

Barley holding on to you 卻幾乎抓不住你

The broken locks were a warning 心頭缺了一角 You got inside my head 對你魂牽夢繫

Tried my best to be guarded 我試著去遺忘 I'm an open book instead 卻是白費力氣

I still see your reflection 我還能看見你的身影 Inside my eyes 彷彿烙印在我眼底

That are looking for purpose 無法面對失去 There still looking for life 無法找回自己

* I'm falling apart 我碎裂千片 I'm barley breathing 幾乎不能呼吸

With a broken heart That's still breathing 持續跳動的心碎

In the pain (In the pain) Is there healing 從痛苦中痊癒

In your name 你的名字 I find meaning 是我存在的所有意義

So I'm holding on (I'm still holdin' on)×3 我不能失去你(我只能試著抓住)

I'm barley holding on to you 卻幾乎抓不住你

Hanging on another day 日復一日的等待

Just to see what, you will throw my way 回憶著你帶給我的快樂

And I'm hanging on, to the words you say 漫長守候只因為你說過

You said that I will, I'll be okay 你說，我會沒事的

The broken light on the freeway 高速公路旁搖曳的燈光

Left me here alone 將我的寂寞留下

I may have lost my way now 我已迷失在人生的道路上

But I haven't forgotten my way home 但歸家之路依然銘記我心
